RETURN TO THE FUTURE COA CONVENTION FIELDTRIPS & TOURS:

NASA KENNEDY SPACE VISITOR CENTER: To coincide with our COA 20/20 Convention NASA plans on launching astronauts from Kennedy Space Center (KSC). A bus will take you to the KSC Visitors Center for a visit back to the Saturn V rocket that took astronauts to the moon, the Space Shuttle Atlantis, and the bright future as we return to astronaut launching to space from Florida. Full day tour. Lunch on your own at on site restaurant.
Date Monday, June 15, 2020 Cost: $115.00 NUMBER______ @$115.00 Total:_______

HARBOR BRANCH OCEANOGRAPHIC INSTITUTE (HBOI) Ocean Discovery Visitor’s Center, Vero Beach, FL and McLarty Treasure Museum, Sebastian, FL
A destination to learn about the research conducted by the marine scientists, engineers and students at FAU’s Harbor Branch Oceanographic Institute. Remodeled in 2017, the center houses five educational exhibits including Marine Drug Discovery, Marine Mammal Research & Conservation, Aquaculture & Stock Enhancement, Marine Ecosystem Health and Ocean Engineering. Provided is interpretive tour. The center also features a video theater, aquaria relevant to research topics, interactive displays, a touch tank, gift shop and student information station. Lunch on your own at a local restaurant. Then visit to retro McLarty Treasure Museum in Sebastian, FL. This is a small center at the site of the 1715 hurricane that wrecked Spanish Treasure Fleet and the camp established to recover some of the treasure. A historic site located on the Atlantic Ocean. Cost includes admission to McLarty and donation to HBOI. Full day tour.
