## **Dedication**

The 2023 Conchologists of American Oral Auction is dedicated to Everett Long. The auction is a large body of work requiring talent, dedication and countless hours of time. Everett led, designed, inspired, and tied our many talents and diverse forces together and his efforts have played a gigantic role in creating the professional level auction that we know today. Through his foresight and dedication, this auction is an eagerly anticipated high point of our annual conventions. We salute our friend and mentor whose leadership and guidance paved the way for us.
